## Experiencing the Body

A Psychoanalytic Dialogue on Psychosomatics

Edited by **Jacques Press**

*Experiencing the Body: A Psychoanalytic Dialogue on Psychosomatics* offers a range of perspectives on somatic illness, highlighting key points of convergence and difference between a range of psychoanalytic perspectives, to find a new understanding of this important issue. The result of a working party on psychosomatics of the European Psychoanalytical Federation, this unique book not only asks whether somatic illness arises from an impoverishment of the psyche or is primarily a form of communication through or by the body, but also tries to reach beyond this classical opposition. It will appeal to any psychoanalyst or psychotherapist interested in this contentious and fascinating area.
